# CEO MESSAGE

Dear Industry Leader,

On April 10, 2025, in Dubai, we set a new global benchmark **Guinness World Record** for the Largest Trading Competition.

This was more than a record. It was proof of what the **ProFin community** is capable of. Today, we bring that same scale, passion, and innovation to India, the world's most energetic **fintech** and **blockchain** economy.

**ProFin Expo India 2026 is not just an event.** It is a movement uniting traders, fintech leaders, blockchain innovators, exchanges, investors, and regulatory visionaries under one global platform.

Across three mega platforms **Expo Blockchain Summit & ProFin Awards**, we create an ecosystem where ideas meet investment, technology meets adoption, and India meets the world. **Welcome to the future of financial evolution.**

Warm regards,

*Sadia*

Founder & CEO,
