WHY DUBAI?

GLOBAL FINANCIAL EPICENTER

Dubai is a key global financial hub that connects the East and West, making it the ideal location for fintech and trading professionals to network and collaborate.

BUSINESS-FRIENDLY ECOSYSTEM

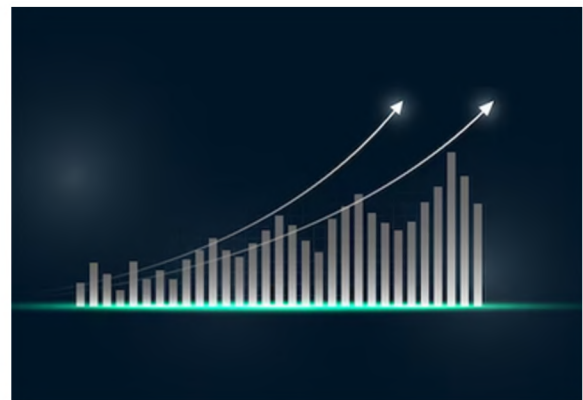

With its tax-free zones, pro-business policies, and cutting-edge infrastructure, Dubai attracts top fintech companies and trading firms worldwide.

UNPARALLELED NETWORKING OPPORTUNITIES

As a multicultural city hosting professionals from over 190 countries, Dubai offers a unique platform to build global partnerships and expand market reach.

SPEAKER SESSIONS & KNOWLEDGE SHARING

At ProFX Summit Dubai 2026, learning is practical and focused on real market experience. The speaker sessions are designed for traders who want clear knowledge they can actually use.

Speakers include experienced traders, analysts, and industry professionals who share real insights, not sales talks. Sessions are easy to follow and useful for both beginners and experienced traders.

Topics include:

- Forex and crypto market trends
- Trading strategies and risk management
- Market psychology
- Trading tools and technology
- Blockchain and fintech updates

The Speaker Hall offers a comfortable setup with clear visibility and sound for a smooth learning experience.

EXHIBITION & BRAND EXPERIENCE

The exhibition at **ProFX Summit Dubai 2026** is built for real interaction. It allows you to meet trusted brokers, platforms, and fintech companies face-to-face.

Instead of searching online, you can ask questions directly, compare services, and understand how different platforms work. The layout is designed to make movement easy and interaction natural.

In the exhibition area, you can:

- Compare brokers and platforms
- Discover new trading tools
- Speak directly with professionals

AWARDS & GALA NIGHT

The **Grand Awards & Gala Night** is a key highlight of **ProFX Summit Dubai**. It is an evening of recognition, celebration, and networking in a luxury setting.

Premium gold-plated awards are presented on stage, followed by a gala dinner where the community comes together to celebrate success.

GLOBAL ATTENDANCE

ProFX Summit Dubai 2026 is expected to welcome 2,000+ traders and professionals from different regions of the world.

This creates a diverse and truly international trading environment.

NETWORKING & CONNECTIONS

ProFX Summit Dubai brings together traders and professionals from around the world in one place. Networking happens naturally through sessions, lounges, and social areas.

You will meet people with similar goals, share experiences, and build connections that often continue beyond the event.

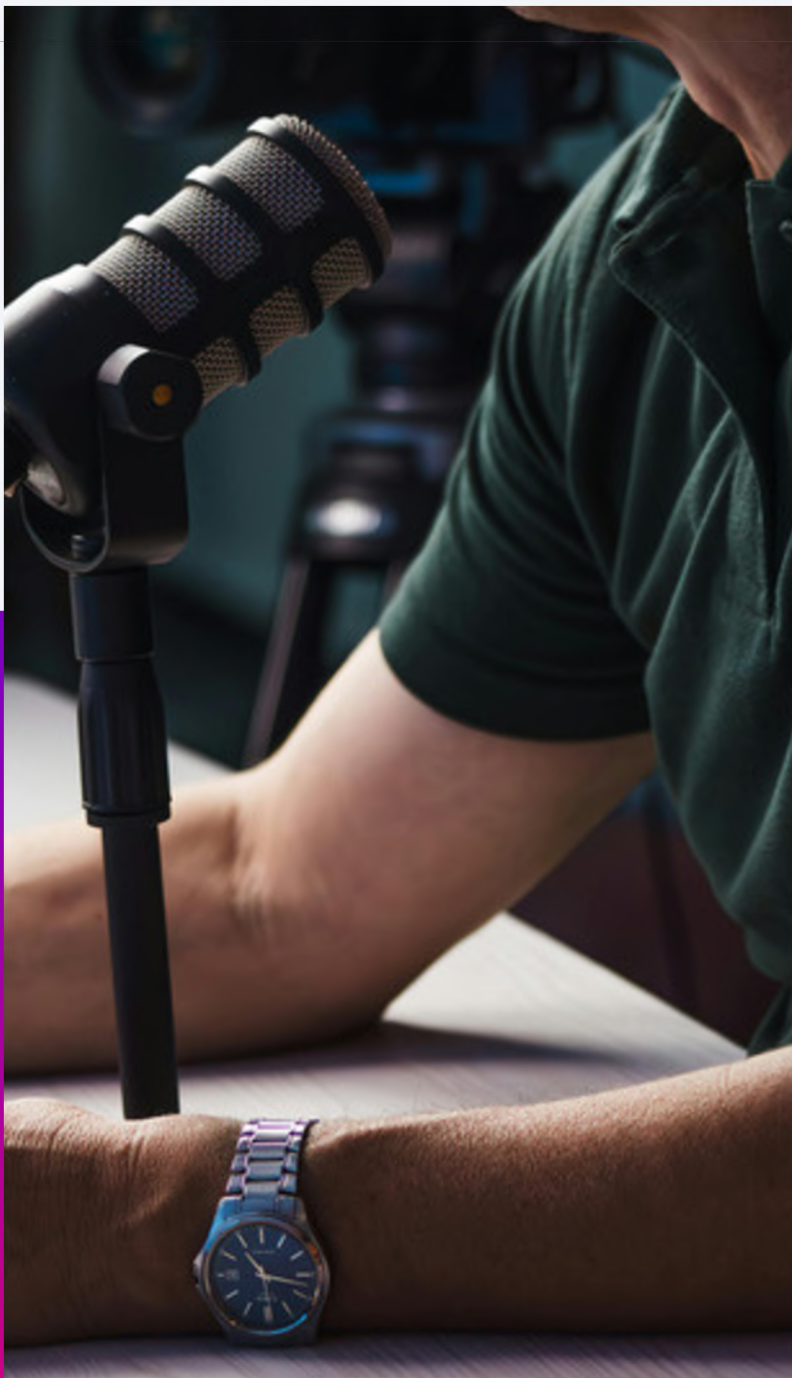

Networking opportunities include:

- Trader-to-trader discussions
- Meetings with IBs and partners
- Informal meetups and lounges

MEDIA, PODCASTS & VISIBILITY

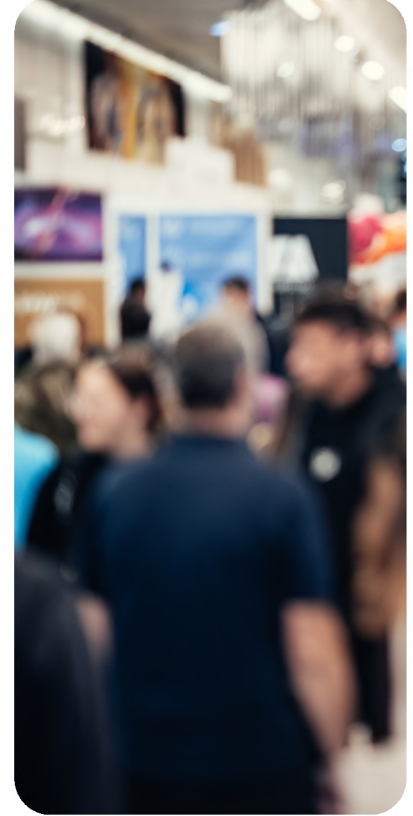

The **summit** gives traders and professionals a platform to share their voice. Selected participants will take part in podcast and video interviews during the event.

These interviews and articles are shared through **ProFX Media** channels, reaching a wide trading audience even after the summit ends.

Media exposure includes:

- Podcast interviews
- Video coverage
- Articles and post-event sharing
